# Core Package

Program Details & Order Form  
2022

**Great games,  
amazing stories**

## About Us

Asmodee is an industry leader in the publishing and distribution of award-winning tabletop games like: Catan, Spot it!, Ticket To Ride, and Pandemic. As one of the largest publishers of tabletop games in the country, we currently bring to market games from more than 50 different studios.

At Asmodee, we are dedicated to the ongoing support of our brick-and-mortar retailers, partnering together to grow sales through programs like the Core Package; which is tailored for their success.

## Core Package

The Core Package Program is designed for Toy & Gift Stores. It showcases the best-selling titles in our portfolio. The stock based program allows retailers to focus on the products that will give them the best return on investment to grow their business.

Participating retailers also enjoy the below benefits of The Core Package:

- Free shipping on all orders
- No minimum order size
- Free once-monthly game credit with re-stock
- Exclusive Promotions and Marketing Materials
- Access to extended dating specials, including first enrollment order in the Core Package Program

Joining the Core Package Program is super easy. All you have to do is carry the 30 games in the package in the specified quantities. Any games you already have in stock count towards your core package. The only requirement to stay in the program is to restock the games that you sell on a monthly basis.\*

Find a list of the Core Package Program Games below. If you have any questions about the Core Package Program, or would like more information; please contact your toy and gift rep. or email: [inquiries@asmodeena.com](mailto:inquiries@asmodeena.com).

And just as a reminder, you can always reach us by phone at: 844-6-ASMDEE (844-627-6633)

\*Subject to retailer eligibility requirements and compliance with AUSA retailer policies and on qualifying purchases. Product restrictions apply. Core Package Program is subject to change, suspension or cancellation without notice.
