TICKET TO RIDE®

Refreshed
Design

DOW7201N | \$49.99

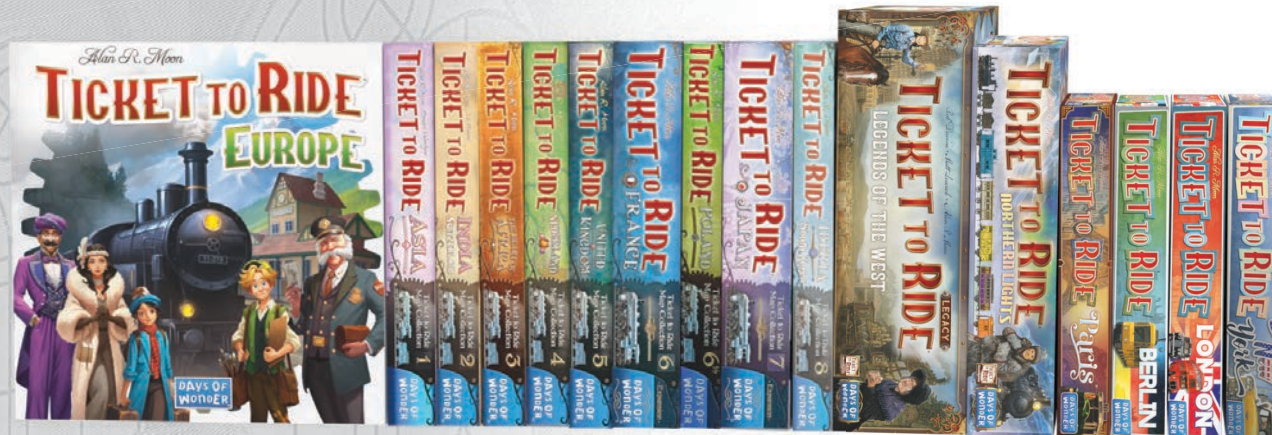

Ticket to Ride is a cross-country train adventure in which players collect and play matching train cards to claim railway routes connecting cities throughout North America.

The longer the routes, the more point they earn.

Additional points come to those who can fulfill their Destination Tickets by connecting two distant cities, and to the player who builds the longest continuous railway.

AZUL

A GAME BY MICHAEL KIESLING

Build a mosaic fit for a monarch!

Azul is a tile-placement game in which players compete for the highest score by claiming tiles and arranging them on their board to score points. Extra points are on offer for collecting sets of the same color of tile, or for creating particular patterns, while there are penalties for taking tiles that you're unable to use. But every tile that you claim affects what your rivals can take next. You'll have to make choices that help you without helping them too much!

Dixit Kids

In the cooperative children's game Dixit Kids, you work together to invite as many guests as possible to the Swift Rabbit's big birthday party! In each round, one of you takes on the role of the Swift Rabbit. They visit a rabbit burrow and choose one of the rabbits to be their birthday guest. The Swift Rabbit then selects a card from their hand that matches the guest's mood: this card is the invitation. All the other players are courier rabbits. They have to deliver the invitation to the rabbit the Swift Rabbit didn't choose. Then they have to find the invitation so that as many guests as possible can make it to the party in time. If enough guests arrive before the week is over, you win the game together.
